Make an Impact with Albion YAC

The Albion Youth Advisory Committee (YAC) is looking for **Albion area 7th – 12th grade students** who are excited to make an impact on the Albion community! YAC has three pillars of work – grant making, community service, and fundraising. Throughout their time on the committee, students learn how to read grants submitted to the Youth Fund at the Albion Community Foundation and make recommendations of what they want to fund. Students get to decide how they'd like to see money spent in their own community!

Throughout the years, YAC has supported programs like Play Right Sports Academy, Kids 'N' Stuff Children's Museum, INNOVATE Albion, and so much more. For the past two years, YAC has held a fundraiser dunk tank booth at the Festival of the Forks, providing a fun activity during the celebration and connecting with the Albion community.

The program is free and open to any Albion resident students (from any school district) and Marshall Public School students, grades 7th – 12th. The committee meets about once a month.

Mark your calendars! On **Sunday, January 25th at 12PM**, YAC will be hosting a recruitment event at the Bohm Theatre for any interested students. For more information contact the YAC Advisor, Cassidy Porter, at albionyac@gmail.com!

Recipe for Success - Winter 2026

Presented by The Michigan Small Business Development Center in Partnership with Battle Creek Food Reimagined

"Recipe for Success" is an 8-week educational program designed to help you launch, grow, and sustain your food business.

- Learn from industry experts.
- Gain practical insights into operations, marketing, finance, and more.
- Connect with fellow entrepreneurs.
- Take the next step toward building a thriving food business.

Registration closes Tuesday January 6, 2026 at 12PM. Scan the QR code to learn more!
