Exciting Move Coming Soon.

The Albion Community Foundation is excited to announce their official move to the Ludington Center in downtown Albion in partnership with Albion College, Albion Economic Development Corporation, and Greater Albion Chamber of Commerce & Visitors Center. The organizations will be transitioning and settling into the new location this July. More information about the collaborative effort and fall open house to come!

You're Invited: Albion's Almost Athletic Fundraiser

The Albion Community Foundation invites you to the first ever ACF Invitational – a “triathlon” of shuffleboard, bowling, and cornhole – raising **funds for the Bohm Theatre Endowment Fund!** This endowed fund supports the longevity of the iconic community theatre.

Mark your calendars for **12PM on July 25th, 2026**. The event kicks off at the shuffleboard courts in Reiger Park, travels to University Lanes for bowling, and rounds out at the Moose Lodge for cornhole. Your \$60 ticket includes dinner from Jesse Gray. Additional dinner tickets and t-shirts are available for purchase through the registration link.

Don't know how to play any of the games? Don't worry! All levels of athleticism are welcomed and encouraged. Come have a summer day supporting the Albion Community Foundation and Bohm Theatre. **Registration closes July 17th**, register now at albioncf.fcsuite.com/erp/donate/list/event?event_date_id=1429

For more, please contact Shane Williamson or Denise Porter at 517-629-3349 or at foundation@albionfoundation.org.

Support Our Local Businesses

With the increased construction in the community, please remember to support our local businesses. It may take a bit longer to get to where you're going or include a few extra steps, but in order to improve our roads and city, construction has to happen. So as you are exploring and enjoying the summer, take some time to visit our local businesses, you might find something new!

Keep Your Cool: Summer Tips from Tech Savvy Seniors

Summer is heating up in Albion! Whether you're enjoying a walk around town, attending community events, tending your garden, or planning a summer getaway, your smartphone can be a valuable tool for staying safe and connected during the hottest months of the year.

Your phone can help you keep an eye on the weather by providing daily forecasts, heat index information, and severe weather alerts. You can also set reminders to drink water throughout the day and check temperatures before heading outdoors. A few taps can help you stay informed and avoid spending too much time in dangerous heat.

While your phone can help protect you from the heat, don't forget that your technology needs protection too. Avoid leaving your phone, tablet, or laptop in a hot car where temperatures can quickly rise high enough to damage batteries and other components. Direct sunlight can also cause devices to overheat, drain battery life more quickly, or temporarily shut down. If you're spending time near water this summer, consider using a waterproof case or storing your device in a safe, shaded location.

Need help setting up weather alerts, learning how to use your smartphone, or tackling another technology challenge? Tech Savvy Seniors continues to offer one-on-one drop-in technology assistance sessions at Forks Senior Center Mondays 10AM - 2PM and Fridays 9:30AM - 11:30AM. We also make home visits! Pairs of Albion College student volunteers can meet you where you're at and provide personalized technology support in the comfort of your own home.
